

Application No.: 10/510475
Inventor: Goertz et al.
Amendment of March 22, 2006
Reply to Notice of Allowance
Docket No.: 53407

REMARKS/ARGUMENTS

Applicants request entry of amended claim 9 after allowance to correct a grammatical error that was inadvertently included in claim 9 in the submission filed on June 8, 2005. In that submission, claim 9 was not amended (nor was claim 9 ever amended during prosecution), however, a copying error inadvertently introduced a "(" to the formula:

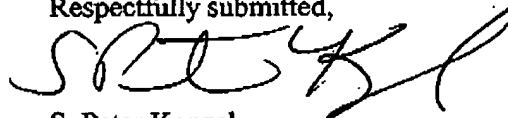

and an "*" was removed from the phrase:

"where Cp is pentamethylcyclopentadienyl."

In view of the above, and the fact that the proposed amendment relates only to formal matters not affecting the scope of the claims, Applicants respectfully request the Examiner enter the amendment of claim 9 after allowance.

The Examiner is kindly requested to acknowledge entry/denial of the proposed amendment to facilitate timely payment of the Issue and Publication fees. Please charge any shortage in fees due in connection with the filing of this paper, including Extension of Time fees to Deposit Account No. 14-1437. Please credit any excess fees to such deposit account.

Respectfully submitted,
